Dear Sir: linke great pleasure in being able | See advertisement. to certify that for the last ten months I have earried a watch from the manufactory of the American Watch Company and that It has given perfect satisfaction as a time keeper. Judging from the one I have, I do not hesitate to predict that the day is not far distant when watches made in the United States will supercede all JAMES FLOY, D. D. others. Wilton Bluff, S C, Oct 20, 1859.

R E ROBBINS, Esq. Dear Sir-The three watches of your manufacture which I purchased on my plantation, have proved to be the most correct time-keepers I have ever known. I gave my head servant my head carpenter and my head engineer each ers I have ever known. I gave my head servant my head carpenter and my head engineer each one of them, and since they have been in their respective possession, every thing on the plantation has moved like clock work, in consequence of the extreme respective possession, and also of harness, together with farming untensity &c. &c. quence of the extreme accuracy and regularity | tensils, &c., &c . with which these watches perform. LEWIS MOBRIE.

Yours truly, Chicago, ILL., March 1860. American Watch Company:

I have tested with extreme care the running of the watch I bought of you, now nearly a year since, and so accurate and equable has been its performances that I have thought it would interest you and all others familiar with horology to see a record of its variations. It was finally
